Complaint 2

5. Supervisor Richard Davis has provided no update from the fact-finding committee for nearly 200 days, resulting in a complete lack of transparency and information blackout to residents.

-lack of transparency

Ethics

3.29 Quality of Life Township decisions and actions shall be intended to improve the quality of life in the community and shall consider the unique needs of the less fortunate.

3.30 Community Commitment The township's care for and commitment to its community members shall be conveyed through township decisions and actions.

3.38 Public Involvement Expanded opportunities for public involvement in developing and evaluating township programs and services shall be actively considered by all boards, commissions and committees.
