Complaint 3

5.5 Supervisor went on leave- now lack of access

Michigan Twp Ethics chapter 3

3.29 Quality of Life Township decisions and actions shall be intended to improve the quality of life in the community and shall consider the unique needs of the less fortunate.

3.30 Community Commitment The township's care for and commitment to its community members shall be conveyed through township decisions and actions.

3.53 Meeting Attendance (general policy) Township officials, appointees, employees and volunteers shall come to meetings on time and be prepared to deliberate and make decisions.
