Complaint 4

6. Supervisor Richard Davis failed to fulfill his election promise of town halls and a citizen coalition, stating on record they would not occur "without respect."

Ethics

3.29 Quality of Life Township decisions and actions shall be intended to improve the quality of life in the community and shall consider the unique needs of the less fortunate.

3.30 Community Commitment The township's care for and commitment to its community members shall be conveyed through township decisions and actions.

3.38 Public Involvement Expanded opportunities for public involvement in developing and evaluating township programs and services shall be actively considered by all boards, commissions and committees.

3.45 Promises Township officials, appointees, employees and volunteers shall not make promises that one would reasonably consider as unrealistic or which there are no intentions to ultimately honor.
