Complaint 7

9. Supervisor Richard Davis directly influenced Mike Wilczynski's purportedly independent review, used profane language toward him causing the expert to quit, and acted in a disrespectful and unprofessional manner

Ethics

3.22 Truthfulness All information provided by township officials, appointees, boards and commissions, employees and volunteers will be truthful and complete. The township board, appointees, boards and commissions, employees and volunteers shall not knowingly make false or misleading statements, or use false or misleading information as the basis for making a decision.
